Sir, just an update. RCMP have intel their vehicles may be targeted tonight at the hotel where they are staying. We will be deploying Sheriffs on overtime to watch true RCMP and SHP vehicles overnight.

That might be a better option for tonight Jason, given the fact the court sheriff would have worked today.

Sir,

They are requesting 9pm to 7am if possible.

The alternative of course would be putting it out to OT for Lethbridge area SHP who are on days off now.

What time would they need to start their shift tonight?

Sir,

I have had a request from the RCMP S/Sgt. Kevin Charles for some assistance overnight at the three hotels their people are staying at in Lethbridge. They have intel that their vehicles may be vandalized/stolen overnight while members sleep. I'm sure 2 members would more than suffice. They were asking for this on an ongoing basis for the foreseeable future.

I have SHP resources deployed to their maximum capability at this point during the days/evenings on perimeter duties around Courts.

I again thought of Court and Transport Services in Lethbridge and thought that since this is not a request for roadblock assistance, perhaps they could assist?

Is this something we could check with D/C Coon for?

Thank you,
